

Dear Joanne

Just a note to thank you and Rhino Force for the amazing donation to the RhODIS project. We have so many cases that we have to finalise and each represents another rhino lost to us. Each case is important and each animal deserves at least a thorough and efficient investigation and in some cases, evidence to ensure that a poacher or trafficker is brought to book. It is constantly a struggle to keep up but the kind of support that you have provided makes this possible and is a motivation to continue.

Thanks again

Cindy
